Alt. + 46 (0)76-77 85 9 85

Welcome!

Fly fishing 2011

Will take place from June.

We will meet up at the site at 1 pm.
– the isunne team welcome you!

Enjoy the beautiful and peaceful environment that is the deep forest of Värmland in Rottneros immediately south of Sunne. The creek which runs through the fishing lake eventually flows into the river Rottnan.

In order not to harm the trout it is desirable that you fish using a fly. All fish that meet the size requirements can be retained and is included in the cost.

Before dinner we gather and collectively prepare the fish and trade experiences.

Dinner is served in the log cabin, and weather permitting, we will be able to eat on the terrace.

Before dinner there is the possibility of a sauna and shower.

Other suggested activities include: treasure hunt, concrete casting, tree grafting, woodland hiking. Find out more at www.isunne.se.
