Booking: info@isunne.se
Alt. +46 (0)76-77 85 9 85

Welcome!

Treasure hunt 2011
will take place from June.

We will meet in a designated location
– the isunne team welcome you!

This is an appreciated event among groups and corporations, which exercises both body and mind as well as helps promote team work.

This event entails a two-man team finding the identified sites/clues in the surrounding landscape and documenting them. All with the help of a GPS, map and pictures.

The team who reaches the destination with most solved clues, and in the shortest time, wins. The highest score of solved clues is prioritised, followed by the shortest completion time. Prize giving will take place during dinner.

After exchanging experiences and upon reaching the final destination, there is the possibility of a sauna, swimming in the lake and joining the others for dinner.

Other suggested activities are: fishing, woodland walking, tomato sampling. Found out more at www.isunne.se.
