Welcome!

Woodland hiking with Chanterelle guarantee 2011
Will take place from July.

We will meet up in a designated location—
morning or afternoon
— the isunne team welcome you!

Experience our unique, and changing scenery of Värmland. We will take a hike through the various biotopes of the landscape and enjoy the flora and the majestic scenery.

During the second half of July until the middle of August it is high time to pick Chanterelle, forest gold. Up until the end of October it is possible to pick Funnel Chanterelle.

We will take you to the mushroom forest, where we will have tea/coffee and packed lunch when it is convenient. You are responsible for what you pick. Mushrooms which you have picked, you will naturally be able to take home.

We give you Chanterelle guarantee!

If you would like them cleaned and possibly parboiled or just frozen we will deliver them to your hotel before departure, at a small price.

Other suggested activities include: tomato sampling, concrete casting, tree grafting, fishing and woodland walking. Find out more at www.isunne.se.
